
Session Title: Biomaterials and Biotechnology I
Date & Time: **November 1, 2016 (Tue) / 10:30~12:00**
Room: **G (Room 107)**

Session Chair: Se Heang Oh (Dankook University, Korea)

1G1-1

10:30~11:00

[Keynote] Nanostructured Biomaterials for Biosensors and Biofuel Cells

Serge Cosnier

Grenoble-Alpes University, France

1G1-2

11:00~11:25

[Invited] Enzyme-Mediated Bulk and Surface Engineering of Biomaterials

Ki Dong Park

Ajou University, Korea

1G1-3

11:25~11:50

[Invited] Interfacing Biomolecules with Nanomaterials: Structure and Function at the Atomic-Scale

Tiffany R. Walsh

Deakin University, Australia
